3. Data protection officer

Heikki Kangas, tel. +358 (0)295 50 2000, tietosuojavastaava@valtiokonttori.fi

4. Legal basis and purpose for processing of personal data

The preparation and sending out of the surveys necessary for the performance of the agency's tasks, the collection of replies and registrations, the creation of reports and the organisation of events.

The legal basis for the processing of personal data under the EU General Data Protection Regulation is

- the consent of the person (documented, voluntary, personalised, informed and unambiguous).

5. Information content of the register

Information provided by the data subject using a Webropol/Lyyti form, such as contact details (name, address, telephone number, e-mail address, job title, organisation) and other information required for this purpose (e.g. special diets, allergies).

6. Regular sources of data

The customer provides the data.

7. Regular disclosures of data

Data can only be disclosed on a case-by-case basis to parties related to the surveys, such as reception personnel involved in the organisation of an event.

8. Regular disclosures of personal data or transfer of data outside the EU/EEA

No data is disclosed to others or transferred outside the EU/EEA.

9. Principles for register protection

Due diligence is observed in the processing of the register, and data processed using information systems is appropriately protected. The controller ensures that the stored data is processed in a confidential manner.

Only individuals authorised by the controller have access to the data processed within the information system. Access rights are kept up to date by regular checks.

The information network and terminals containing the register are protected using technical measures.

10. Data storage period / criteria for determining storage period

The data is only stored for the time it is appropriate for the purpose of the survey. In the case of registrations, the time required to organise and close out the event, up to 6 months after the event.

11. Information about automatic decision-making (e.g. profiling) and information about the logic of data processing and its impacts on the data subject

No automatic decisions or profiling are carried out using the data.

12. Right of access

The data subject has the right to access their data in the register. Requests should be sent to the registry office.

13. Rectification of data

The data subject has the right to access their data in the register. Requests should be sent to the registry office.

14. The right to object to processing of personal data

The data subject has the right to object, on grounds relating to their particular situation, at any time to processing of their personal data, such as profiling.

15. Right to restriction of processing

The data subject has the right to restrict the processing of their personal data as specified in Article 18 of the GDPR.

16. Right to erasure

The data subject has the right to request that the controller erase their personal data from the person register. Requests should be sent to the registry office.

17. Right to lodge a complaint

The data subject has the right to lodge a complaint with a supervisory authority if the data subject believes that their rights have been infringed by the actions of the controller.

18. Other rights

Personal data is neither used nor disclosed for the purposes of direct advertising, distance marketing or other direct marketing, market and opinion research, registers of individuals, or genealogy.

Customers can report any data security risks or issues to the State Treasury by email at viestinta@valtiokonttori.fi or through the feedback form on the website.

19. Use of cookies

Webropol websites use cookies. [Learn more about the use of cookies on Webropol websites >](#)
